There has been an increased interest in **the new generation John Deere tractors**, and because of this we would love to see more of them at our show. If you have one hiding out in your barn or shop, polish it up and register it!

Please fill out the enclosed registration form and return with $7.00 registration fee (prior to June 15, 2027, after June 15, the fee is $10). This fee is per exhibitor, not per tractor. Because of the high cost of postage, we will not be sending out exhibitor acceptance forms this time. Unless you receive a letter of denial, you may assume your exhibits have been accepted.

Exhibitors may start arriving at the show on Sunday, July 11. You must stay at least 2 days (Thursday & Friday or Friday and Saturday, or better yet, all 3 days. When you arrive, check in at the headquarters to pick up your packet which will have your display signs, exhibitor's plaque and two buttons for free admission each day.

All exhibits must be in place by 8:00 a.m. each day of the show and should not leave until the closing of the day's show on Friday or Saturday.

Anyone participating in the tractor pulls MUST be an exhibitor and MUST stay the required two days. The enhanced classes will be on Friday night and the pure stock classes will be on Saturday night. The rules have changed so please request a copy of them or you can find them on our web site. **The tractor pull on Saturday night will be open to all color tractors.**

Please make motel reservations early. You may request a motel list when you send in your registration or view it on our website. The Finger Lakes area hosts a vibrant tourist trade, so don't wait too long.

If you have any questions, please call Kevin Morris at 607-794-4722.
