There has been an increased interest in **the new generation tractors**, and because of this we would love to see more of them at our show. If you have one hiding out in your barn or shop, polish it up and register it!

Please fill out the enclosed registration form and return with \$5.00 registration fee. This fee is per exhibitor, not per tractor. Because of the high cost of postage, we will not be sending out exhibitor acceptance forms this time. Unless you receive a letter of denial, you may assume your exhibits have been accepted.

Exhibitors may start arriving at the show on Sunday, July 9. You must stay at least 2 days (Thursday & Friday or Friday and Saturday, or better yet, all 3 days. When you arrive, check in at the headquarters to pick up your packet which will have your display signs, exhibitor's plaque and two buttons for free admission each day.

All exhibits must be in place by 8:00 a.m. each day of the show and should not leave until the closing of the day's show on Friday or Saturday.

Anyone participating in the tractor pulls **MUST** be an exhibitor and **MUST** stay the required two days. The enhanced classes will be on Friday night and the pure stock classes will be on Saturday night. The rules have changed, so please request a copy of them or you can find them on our website.

Please make motel reservations early. You may request a motel list when you send in your registration or view it on our website. The Finger Lakes area hosts a vibrant tourist trade, so don't wait too long.

If you have any questions, please call John & Cheryl at 585-526-6607, or Bruce & Lois Morris at 607-776-3592.
