(Please cut here and mail the top portion.)

The Finger Lakes Two Cylinder Club meets on the second Wednesday of each month at 7:30 p.m. at various members' homes. You don't need a tractor to belong, just a genuine interest in John Deere tractors. We participate in parades, town festivals, car shows, the New York Farm Show (February) Syracuse, the Pageant of Steam (August) in Canandaigua and Empire Farm Days (August) in Seneca Falls. We also try to have a plow day each spring, weather permitting. Our biggest activity is helping to put on the New York State Two Cylinder Expo every two years in Canandaigua, NY.
